Co-funded by the
Erasmus+ Programme
of the European Union

WHO ARE WE?

We are a strategic partnership in the field of youth education and employment, composed of 7 organizations from 6 countries.

PROJECT ACTIVITIES

FIRST ACTIVITY -

Focused on the methodologies for the study and analysis of the local reality of youth unemployment

SECOND ACTIVITY -

Introducing instruments and local initiatives for the fight against youth unemployment

The activities are carried out through the study of cases of good practices, study visits and rounds of debate between the different participants.

THE PROJECT

“Youth Employment Initiatives” is a project of sharing experiences and good practices between European organizations working in the field of youth that have developed their own initiatives, projects, tools or methods to improve the employability of young people.

This project practices promotes high quality work in the youth field giving to the participants real examples that are successful, concrete and have been applied by the different European organizations with tangible results.
